Professional Summary

Sole Flutter Developer responsible for architecting and delivering 4 robust, production-grade mobile applications from scratch. These applications are actively used by 1,600+ schools and serve lakhs of users, demonstrating proven scalability, reliability, and real-world impact. I am Proficient in building scalable, user-centric apps with modern architectures (BLoC, Riverpod) and backend integrations

Education

Bachelor of Technology in Computer Science and Engineering

Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

2021-2025

CGPA: 8.31/10.0

Technical Skills

Languages C/C++, Swift, Dart, JavaScript, SQL

Mobile Dev Flutter, SwiftUI, Android Studio, Xcode

Web Dev HTML5, CSS3, Bootstrap, Node.js, Express.js

State Mgmt BLoC, Riverpod, Provider

Database MongoDB, Firebase, Hive

APIs REST APIs, Firebase FCM, Razorpay, JSON

Data Structures STL, Stack, Queue, Trees, Graphs

Tools Git, VS Code, Postman, Clouinary

Professional Experience

Flutter Developer

SR EDU TECHNOLOGIES Pvt. Ltd., Hyderabad

February 2025 - Present

- Independently developed 4 comprehensive Flutter applications from scratch for education technology platform
- Architected scalable solutions serving students, parents, staff, and management stakeholders
- Integrated advanced features: payment processing, real-time notifications, secure authentication

Key Projects:

- **SParent App:** Complete parent portal with Report Cards, Attendance, Fee Payment (Razorpay), Academic Calendar, Homework Management, Parent-Teacher Communication — *Tech: Flutter, BLoC, Hive, Firebase FCM*
- **Staff App:** Teacher management system with Task Management, Student Search, Report Card Entry, Homework Creation, Messaging — *Tech: Flutter, Riverpod, Hive, Firebase FCM*
- **Management App:** Administrative dashboard for Admission Management, Marks Entry, Attendance, Fee Management, Report Generation — *Tech: Flutter, Riverpod, Razorpay, REST APIs*
- **LMS(Learning Managment System):** Student Learn with Video, Quiz, Courses, Games for learning etc. — *Tech: Flutter Animation, Riverpod, Video Pla, REST APIs*

Software Development Intern

Pragament Tech Pvt. Ltd., Hyderabad (Certificate Link)

October 2024 - February 2025

- Enhanced existing Flutter applications by developing new features and resolving critical bugs
- Collaborated with cross-functional teams to deliver user-centric mobile solutions
- **DashCam App:** Advanced text extraction from videos using ML Kit with timestamp saving, enhanced UI with playback controls
- **Loan/Lend EMI Manager:** Added context-specific help dialogs, currency picker, CSV export/import functionality
- **OMR Sheet App:** Developed MCQ test creation feature with automated result generation for teachers, students, and parents

Personal Projects

- **Data Visualizer:** Cross-platform analytics tool with Syncfusion Charts, data.gov integration, interactive charts, real-time analysis — Demo — GitHub
- **Ultra Cart:** Full-stack e-commerce platform supporting dual user roles, product management, order tracking, payment processing, MongoDB backend, Clouinary integration — GitHub
- **Wallify:** Flutter wallpaper app with Pexels API integration, high-quality image browsing, search functionality, filters — GitHub
- **TTS-STT:** Comprehensive Flutter app integrating Text-to-Speech and Speech-to-Text functionalities with seamless interaction — GitHub

Achievements & Leadership

- **Academic Excellence:** Secured 3rd Rank in B.Tech (CSE) during 3rd Year
- **Open Source:** 7+ contributions to Flutter projects with merged pull requests
- **Technical Leadership:** Technical Head for College Fest - organized 20+ technical events with 1000+ student participation
- **Community Impact:** Founded AKTU NOTES website, serving 200+ students with academic resources
- **Problem Solving:** Active competitive programmer with consistent LeetCode practice
